

SPENCER
CABLE ACCESS

Important Notice from Spencer Cable Access

On October 7, 2014, Charter Communications made changes to their channel line-up as part of their move to "all-digital". Spencer Cable Access had no input as to where our channels would be in this new line-up. Here is a guide to SCA's new channel line-up:

Channel	Description
Channel 191 (formerly channel 11)	SCA Community Bulletin Board Post your message or announcement on this channel. Find government, school, church, safety, public interest, and other postings on this channel. Visit SCATV.org/bulletin to submit your announcement.
Channel 192 (formerly channel 12)	Your public interest and entertainment channel. If you'd like to produce your own program, visit SCATV.org/MyShow
Channel 194 (formerly channel 13)	Your government and educational channel. Board of Selectmen, School Committee, Finance Committee and any other government or educational programming can be found here. Most government meetings are also available at YouTube.com/SpencerCableAccess .

MULTIMEDIA ACADEMY

by Spencer Cable Access

The Multimedia Academy is a four-part training course that will provide participants with a basic understanding of how to operate professional video equipment in order to tell a story or cover an event. The course is open to anyone age 14 and up.*

Classes begin October 27, 2014
Register at SCATV.org/Academy

Pre-production Planning

Basic pre-production check-list to ensure that everything goes smoothly on production day.

- Location survey
- Equipment check
- Shot list
- Coordinate schedules

Editing

For those interested, we will offer a basic non-linear editing course using either Apple Final Cut Pro or Adobe Premiere Pro. You will learn:

- Ingesting media
- Organizing clips
- Assemble editing
- Finish editing

Production

In this unit, you will learn basic camera operation and shooting techniques including:

- Camera fundamentals
- Composing shots & camera moves
- Audio recording
- Lighting

Studio Production

During the studio production unit, you will learn how to run a multicamera shoot in the SCA TV studio.

- Studio camera operation
- Live switching
- Tele-prompter operation
- Studio audio
- Green-screen technology

*Individuals under the age of 18 are required to have a parent present during any shooting/production activity
